

THE TREMENDOUS TATTY PATCHWORK COMPETITION

The Margaret Mahy Family Playground is set to open in December this year. It will be an amazing place for families to enjoy - we can't wait for you to come and play!

But first, we need your help. We are creating a giant patchwork to decorate signs and buildings in the playground - just like Selina and her grandmother, Mrs Polly, who created magnificent patchworks in Margaret Mahy's story *The Tatty Patchwork Rubbish Dump Dancers* (From *The Chewing Gum Rescue* and other stories.)

We want you to create a single patch or pattern inspired by the world around you in Canterbury - cityscapes, landscapes, plant-life, wild-life, mountain tops or sea beds - anything you like. The patch can be round or square and you can draw it, paint it, stick it on, weave it, knit it or sew it..... in fact you can create it in any way you like, out of whatever you like, as long as you use the template on the front of this entry form.

The judges will be looking for patterns that are creative, colourful and Cantabrian. Prizes will be awarded at each year level.

The competition is open to all children in Canterbury, in school years 1 - 8.

Entries close 5pm on 14 October, 2015.
