

## Primary Build Capacities

The data below illustrates a small part of the full picture that is examined to ensure that we create a sustainable network of schools into the future.

### Primary School rolls by Authority, 2010 and 2015

### 2010 to 2015 October Roll change: State Primary Schools

**Current ratio of capacity (as at 2015) to local demand (as at July 2015) for Primary**
