Hi Rose,

Thanks for your text.

I can confirm that the insurer responsible for the last remaining crown owned property on Glendevere Terrace has been in touch with LINZ.

They have settled their part of the claim and we are now working on the next steps.

In some cases, EQC claim(s) and other issues need to be resolved, after the insurance settlement and before a clearance date is determined.

I expect to have more clarity on this property by the end of the month.

We all want to get it cleared asap.

Hi Rose,

As discussed – here is the overhead photo of Glendever Terrace.

32 and 36 Glendever Terrace have been cleared to ground level, some site works remain.

28 Glendever Terrace hasn't been released to LINZ for clearance yet. I'll let you know when it is.
