

# Design Your Ideal Learning Environment

If you could design your own school, what would your favourite space for learning be like. We're keen to know what you think it would look like or how it might feel.

Use the space below and either draw for us or use your own words to describe what your ideal learning space is.

## How to enter:

Drop your vision into the box at the Opportunities plus Innovation stand at the Canterbury A&P show or ask your teacher to send it to us.

Entries can be sent to the Ministry of Education Christchurch Education Renewal Team, P O Box 2522, Christchurch 8140, or email it to [shapingeducation@minedu.govt.nz](mailto:shapingeducation@minedu.govt.nz)

All learners who give us ideas will have the chance to have their artwork or images displayed at future design discussions.

Draw or describe your favourite space for learning
