This scheme commences on 29 May 2013.

The Banks Avenue School Zone is defined as follows:

The home zone includes all residences within the boundary described below, and includes both sides of the boundary roads.

From the intersection of North Avon Road and North Parade, heading north to the intersection of North Parade and New Brighton Road. East along New Brighton Road to Horseshoe Lake Road, north along Horseshoe Lake Road to Broomfield Terrace, south-east along Broomfield Terrace to Kingsford Street. South along Kingsford Street to New Brighton Road, east along New Brighton Road to Locksley Avenue. South along Locksley Avenue to Glenarm Terrace. West along Glenarm Terrace, crossing Gayhurst Road at number 51. Continuing in a straight line crossing Dallington Terrace at number 30, then crossing the Avon River opposite the eastern intersection of Morris St and Avonside Drive. Continuing west along Morris St to the western intersection with Avonside Drive. North along Avonside Drive to number 336 (opposite the intersection of River Road and North Avon Road). Cross the Avon River then go west along North Avon Road to the intersection with North Parade.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date which will be published in a daily or community newspaper circulating in the area served by the school. This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

Former Richmond School students

Students enrolled at Richmond School on the date the Minister announced the closure of Richmond School may be enrolled at Banks Ave School, regardless of whether they live within the enrolment scheme home zone described above. Enrolments made under this part of special temporary enrolment scheme must occur either during 2013 or for Term 1, 2014 school year. This provision will also apply to siblings (not yet at school) of eligible students.

Out of zone enrolments

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community

newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

- **First priority** This priority category is not applicable at this school because the school does not run a special programme approved by the Secretary.
- **Second priority** must be given to applicants who are siblings of current students.
- **Third priority** must be given to applicants who are siblings of former students.
- **Fourth priority** must be given to any applicant who is a child of a former student of the school.
- **Fifth priority** must be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.
- **Sixth priority** must be given to all other applicants.

If there are more applicants in the second, third, fourth, or fifth priority groups than there are places available, selection within the priority group will be by a ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989. Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
