Attn: Gabrielle Wall,

Re Redcliffs School

Dear Gabrielle.

The Bamford School Board of Trustees met on Wednesday 25 March and discussed the Redcliffs School matter.

The Bamford School Board of Trustees has decided that the situation does not directly influence our school. We may receive some students from Redcliffs School as a result, and would welcome them, but as a whole are not directly affected by this pending decision.

Thank you for taking the time to contact us and to keep us informed.

Kind regards,

Colin Hammond

Principal

(on behalf of the Bamford School Board of Trustees)
