

PROTECTING YOUR SCHOOL FROM ARSON & FIRE

We are pleased to announce that over the last holiday period there were no incidents that caused any damage to schools across Christchurch and Canterbury. This is a result of the excellent prevention work by Canterbury Schools.

Thank You

*Keep up the
good work*

The only incident was a small fire in leaves that occurred at a school, this was as a result of children playing/experimenting with fire. No damage to property occurred.

PLEASE CONTINUE TO TAKE ACTION TO PREVENT ARSON or FIRE OCCURRING AT YOUR SCHOOL!
